### **End of Year Parent Survey for EHS Parents**

In the message that was sent out last week a drop down menu for parents of EHS students was left off by mistake. If you would like to take the survey, the link is <https://www.surveymonkey.com/r/CV9J9VJ>. The results of your survey will be shared with your building principal and the Office of the Superintendent but will remain anonymous unless you choose to provide your contact information. Thank you for helping us continue to improve the educational experience for our families and our students.

### **Graduation Walk**

Our high school graduates did the first Graduation Walk in our district on May 30. Wearing their caps and gowns, our seniors visited each school to walk through the halls, remembering where they had been and how far they had come. Students lined the halls and cheered as the seniors walked through the school. Seniors and their former teachers, including some retired teachers who were present for the event, had some touching moments as they reconnected. We hope this will become a yearly tradition! Follow these links for some great photos of the event:
