

## To Access EPSD Files from Ipad or Iphone,

Goto App Store, then search and install the app Novell Filr. (This is a free App.)

Once installed, open the App Novell Filr, and enter your name and password (Same as you use to the email) where it asks for server ip address, you must enter exactly **filr.epsd.us:8443**

After Signing in, click on Net Folders to begin browsing your shares, then click on the folder or file name you want to open.
